Dear General Carter:

Thank you very much for your thoughtful letter of August 22. Even though I did have "violent objections" to being an honorary member of the Director's Mess, how could I permit such objections to prevail in the light of your gracious hospitality! Therefore, I accept with humility and gratitude. This does not mean, however, that I am without skepticism, and I do wonder if there is a "catch" in the fact that there is "no initiation fee, no monthly dues, and no cover charge." While I was told many years ago not to "look a gift horse in the mouth," experience has taught me to be circumspect whenever much is offered to me without demands for reciprocity.

To be serious a moment, thank you again and, when occasions permit, I certainly will avail myself of this fine invitation. I do hope, though, that one day soon you will be my guest here in the city for luncheon because our mutual friend, Frank Crosby, will disown us both unless we get together for a chat.

With all good wishes,

Cordially,

William C. Sullivan

Dear Mr. Hoover:

Thank you for sending me the monograph
entitled "The Communist Party Line, January
1962 - June 1962."

I also thank you for your Top Secret letter
and enclosure of 30 July dealing with international
Communist matters.

These reports are clearly most useful, and
I am calling them to the attention of other CIA
officials on a need-to-know basis.

Sincerely,

Dear Mr. Hoover:

It was thoughtful of you to send us a copy of the Summary concerning pertinent activities of the Communist Party, U. S. A., during the period January 1, 1962, to June 30, 1962.

I have read this with much interest and have forwarded it to some of our specialists here for their information and further study.

Faithfully yours,
